

## Before Happiness: The 5 Hidden Keys to Achieving Success, Spreading Happiness, and Sustaining Positive Change (Hardback)

Filesize: 3.11 MB

### **Reviews**

*A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.*

*(Rachel Stiedemann)*

Crown Business, 2013. Hardback. Condition: New. Language: English . Brand New Book. Why are some people able to make positive change while others remain the same? In his international bestseller, *The Happiness Advantage*, Harvard trained researcher Shawn Achor described why happiness is the precursor to greater success. This book is about what comes before both. Because before we can be happy or successful, we need to first develop the ability to see that positive change is possible. Only once we learn to see the world through a more positive lens can we summon all our motivation, emotion, and intelligence to achieve our personal and professional goals. In *Before Happiness*, Achor reveals five actionable, proven strategies for changing our lens to positive: - *The Most Valuable Reality*: See a broader range of ideas and solutions by changing the details on which your brain chooses to focus - *Success Mapping*: Set goals oriented around the things in life that matter to you most, whether career advancement or family or making a difference in the world - *The X-spot*: Use success accelerants to propel you more quickly towards those goals, whether finishing a marathon, reaching a sales target, learning a language, or losing 10 pounds - *Noise-Canceling* Boost the signal pointing you to opportunities and possibilities that others miss - *Positive Inception* Transfer these skills to your team, your employees, and everyone around you By mastering these strategies, you ll create an renewable source of positivity, motivation, and engagement that will allow you to reach your fullest potential in everything you do.
