APPLYING E-COMMERCE IN BUSINESS (PAPERBACK)

SAGE Publications Inc, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. This book provides an understanding of e-commerce by deconstructing it into its main constituents and explaining how they fit together. The objective is to introduce some consistency to the often contradictory views about e-commerce, bringing together different academic and management theories and frameworks into a coherent whole. It is written with a European perspective with examples that are drawn from around the globe, consistent with..
