

Innocent Evil (Paperback)

By Kenneth L Fearley

Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Evil comes in many guises. Joseph Stalin said that Death is the solution to all problems. No man - no problem. He also said; One death is a tragedy; one million is a statistic. Stalin; like his entire ilk, accepted that there is no more guilt for multiple killings than for just one. Evil the encyclopedia tells us is morally reprehensible: sinful or wicked. Innocence on the other hand is defined as not being corrupted or tainted with evil or unpleasant emotion; sinless; pure. From these definitions we would then assume that the two; Evil and Innocence, could not cohabit in the same host. Evil Innocence will cause you to question that assertion. Murder is the personification of evil. There is no excuse, there is no way that murder is committed out of innocence. Evil Innocence will challenge your understanding of innocence as retired Detective Inspector Len Potter has to reconcile his past assumption that Henry Papford was responsible for the serial killing of six young women.
