Penguin Audio. No binding. Condition: New. For those times when hard work and persistence just aren't enough, Terri L. Sjodin offers a smart and savvy guide that will inspire you to get scrappy and beat the odds. Getting scrappy means working around an obstacle or challenge faster, smarter, and despite opposition. It means cultivating a fighting spirit, implementing a clever strategy, and following through with daring execution. Scrappiness is not just about doing something difficult in an ordinary way; it's about punching above your weight and achieving extraordinary results. In *Scappy*, Terri L. Sjodin tells the stories of ordinary people who reached their goals while saving time, money, or sanity, and shows readers how they, too, can get scrappy. She explains how to cultivate a scrappy attitude and strategy and walks you through execution of that plan. The beauty of the scrappy effort is that it can be employed by anyone, at will, in all manner of situations and circumstances. Whether you are a sales rep looking to close that big deal, a job-seeker trying to land your dream job, or a CEO who wants to take the company to the...
