ImaJinn Books, 2005. Paperback. Book Condition: New. The black-ops government agency called Sigma broke Justin Delgado, trained his psionic talent and turned him into a killer. Then he escaped and joined the Society, an underground resistance movement of psions determined to use their talents to bring Sigma down. Competent, cold, and cruelly efficient, he's the best operative the Society has, a legend among the psions who fight a shadow war against an enemy that owns the courts, the press, and the police. Twenty-four hours after she meets Delgado, her life is shattered and she's on the run from Sigma. If Sigma can't take her freedom, they'll settle for her life. She is simply too powerful to be left alone. The Society will welcome Rowan, if she can stay alive long enough to join them.
