New York City s tough girl and Bronx native Geena Samuels is back with even more drama. She has left the drug game alone. Geena is refocused on getting herself back on track and healthy while taking care of her children and man. However, her one time allies have now become her enemies. Geena embarks on a deadly cat and mouse game in order to come out victorious. Get ready because the bait has already been left in the trap. Who will bite first? To find out Geena must encounter new friends and family members just as strong as her. She also must find the strength and wit to triumph over new foes. As new threats arise you will anxiously anticipate the outcome, all the while asking yourself, will her family be harmed in the interim? Will Malachi make her an honest woman? Will Albie retaliate for his twin sister s death? What ever happened with Joseph? All will be answered in this sequel. Trust me you don t want to miss the new turn of events in this Bronx Saga.
