

Lo Slancio. Etica e Design Delle Esperienze Di Storytelling. (Paperback)

By Damiano Fina

Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: Italian . Brand New Book ***** Print on Demand *****. Raccontare storie e un'affezione universale della nostra natura, si sviluppa spontaneamente nell'infanzia e ci accompagna nel corso di tutta la vita. L'immaginazione e uno slancio della natura umana verso mondi oltre la nostra esperienza quotidiana. La parola storytelling è frequentemente utilizzata anche in ambito economico per identificare un particolare settore del marketing attento non solo all'utilizzo delle narrazioni, ma anche alle dinamiche che lo rendono uno strumento particolarmente efficace per la costruzione strategica di esperienze di consumo. Il saggio rileva come le storie possano ora contribuire a un crogiolarsi in pratiche e comportamenti reiterati, ora mettere in discussione gli equilibri del mondo così com'è e della quotidianità, alterando ciò che si dava per scontato. Gli studi di John Dewey, Wolfgang Iser, Denis Dutton, Brian Boyd sono stati applicati al transmedia storytelling, in particolare nell'analisi della serie TV Supernatural, e all'organizzazione delle mostre d'arte temporanee.

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so I am sure that I will study once more yet again later on. I am very happy to inform you that here is the finest publication I actually have read inside my personal daily life and might be the best publication for possibly.
