Sounds simple enough, but it was not simple to write. I am an alcoholic and a drug addict, I am also a nurse. I lost everything to my drug addiction. I stole my drugs from the hospital where I worked and when they found out my downfall began. But that is only the beginning. My recovery is the real story. There is a huge and growing problem of alcohol and drug addiction among healthcare professionals. It s time we started talking about it. We put our patients and coworkers at risk. We put ourselves at risk. The problem is taboo and nobody wants to talk about it. I want to talk about it. I want to help stop this insidious disease from continuing to infect our entire healthcare system.
