Brand New Book ***** Print on Demand *****.Have you ever seen playing children from which they draw a great joy? They are yet to be conditioned and they have no separate feeling based on color, caste, creed, race, gender, nationality, religion. They play for hours together and from our point of view are meaningless, non-productive, and waste of time. But they are joyful because they have to goal in end to achieve. Their life is spontaneous and so goalless. Can we live like that with all our knowledge not interfering in the present moment? We can use the past when required but should not dominate the present moment. If it does so we are sleeping in the present moment. Is it possible to live in a sick society and yet we live spontaneously and without a goal. When we do so there is possibility of the artificial psychological center the me, ego. If we act from the ego which is a product of thought such action is always incomplete and so leads to conflict, strife, contradiction. As majority humanity act from the ego there is always conflict at any given time. In any action where there is no goal the doer is not born. Once doer is not there separate feeling is not there and action is total without any conflict and so healthy and action goes on its own. Centering in being should not be lost. You can do small things, you can do big things. It is action per se. Love is action in itself. It is not action based on reward and punishment which is the case in limited action. There is no effort in action without a motive because...
