Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book contains proven steps and strategies on how to normalize your blood sugar levels, avoid diabetes and heart disease by using the glycemic index to evaluate what foods are best for you. Learn how to use the Glycemic Index to make gradual, lasting changes in your diet. You will then realize that making the best food choices comes naturally to you. What may come as a surprise to you is that the GI diet is not a diet per se where you have to follow specific meal plans, count calories, make lists of food to eat and food items to avoid; it's rather a way of life. You understand how high and low blood sugar levels can affect your health and your feelings of well being. You are able to identify the direct link between GI and controlling diabetes or even substantially reducing the risk of becoming diabetic. This book also includes some delicious, low GI recipes you can prepare quickly on busy days.
