RACE MANNERS: NAVIGATING THE MINEFIELD BETWEEN BLACK AND WHITE AMERICANS (PAPERBACK)

[DOWNLOAD PDF](#)

Skyhorse Publishing, United States, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. On a plane, a black passenger nervously scrutinizes an Arab-American passenger. In front of a store, a white woman clutches her purse as a black man walks by. In conversation, the topic of race comes up and both people wonder what they are willing to say--and what they are not. Each scenario reveals that how we act and react to each other on a daily basis stems from racial assumptions, biases, and misunderstandings. Some we acknowledge, others we overlook. In the wake of 9/11, confronting race relations in America is as daunting as it is necessary. Race Manners shows us how we can begin a civilized, meaningful dialogue--not with evasive abstractions, but with practicality and candor. Bruce A. Jacobs, a tireless speaker, has traveled the country over the past six years, learning and listening as people reacted to the first edition of this book and told him their own stories. In this newest edition, here is a candid assessment of and guide to improving race relations that offers honest clarity on fear of crime and terrorism, the role of rage talk media, the problem with tolerance, race in pop music from Elvis to Eminem and beyond, the N-word, and much more.
