Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it fact modified me, altered the way in my opinion.

THE NULLARBOR KID: STORIES FROM MY TRUCKING LIFE (PAPERBACK)

Allen Unwin, Australia, 2015. Paperback. Condition: New. Main. Language: English . Brand New Book. If you had worked with them, if you had driven with them, if you had had a drink with them, if you had helped them when broken down, you would have been proud to be one of them and called them mates. Meet Ray Gilleland, pioneer trucker in postwar Australia. A time when trucks were viewed as an upstart industry that threatened existing railway systems. Ray was part of the new breed, determined not to be chained to the old ways. The Nullarbor Kid tells of the true adventures Ray and his mates had when the trucking industry was born, and the battlelines between government and truckers. Ray tells stories of trucks not suited for blistering Australian heat, long mountain climbs in low gear, and the vast distances that sapped the strength of driver and truck. Of tolls, inspectors and regulations set to strangle the new industry, and drivers who fought back with every trick in the book. Of incredible near-misses that could have killed them. And through it all, the smell and noise and romance of long-haul driving. In this world, when the chips were down, indeed at all times, humour loomed large and real-life adventure abounded.
