

I, Maybot: The Rise and Fall (Hardback)

By John Crace

Guardian Faber Publishing, United Kingdom, 2017. Hardback. Condition: New. Main. Language: English . Brand New Book. The Maybot is rebooted as strong and humble. Stumble for short. Kim Jong-May awkward and incredulous as journalist asks question. Supreme leader produces pure TV Valium on The One Show. Throughout 2017 John Crace, the Guardian s parliamentary sketch writer, has watched Theresa May s efforts to remain strong and stable - and, indeed, Prime Minister. He coined the term Maybot for her malfunctioning public appearances. And now, in this edited collection of his unremittingly witty sketches, he tells the full story of Theresa May s turbulent first year in No 10. As waspishly hilarious as Craig Brown s diaries in Private Eye, I, Maybot is essential and hysterically funny reading for anyone trying to make sense of a political annus horribilis.
