

## Stress in the Workplace and How to Cause it

By Edwards, Howard

New Holland Publishers Ltd, UK, 2003. Softcover. Book Condition: New. First Edition. Available Now. Book Description: This humorous book explodes the myth that a happy company is a productive one. It shows how to avoid the complacency and inefficiency that follow a sense of well-being and job security. Arguing that the feel-good factor actually makes a business more placid and less competitive, the author observes that stress at an unacceptable level has a vital role to play in a company's success. Full of inventive and imaginative ways to ensure that your colleagues perform to their full potential and that your work environment is bereft of comfort and languor, here is a complete strategy for creating and managing a more productive and profitable organization through the thoughtful creation of stress. Size: 19.7 x 13 x 0.7 cm. 96 pages. Multiple copies available this title. Quantity Available: 4. Shipped Weight: Under 500 grams. Category: Medicine & Health; Psychology & Psychiatry. ISBN: 1843305194. ISBN/EAN: 9781843305194. Inventory No: F239-1107.
