Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Michigan Engineers Annual: Containing the Proceedings of the Michigan Engineering Society, for 1889 In connection with the idea of more frequent meetings is this; the failure of our State Institutions to benefit the people as they might, not per 86, but because the people at large do not demand a different course. How little is known throughout the State what is being done and what is the daily thought at these institutions! The students know, and so do the Professors in charge. But both probably have too much to do already. We see results when a class is graduated. Then a sweltering crowd listen to music, and the sweet patter of words set to the latest rhetorical rhythm, and they go away to come again the next year, and so on. The grad nates file out from this modern Parthenon, and Michigan people have the pleasure of reading a long list of names in the catalogues. Is it not wrong to give so many advantages to the few, at the expense of the many, when both might be subserved? We have seen that the population of Michigan is over Now instead of limiting our State institutions to the service of the few who are able to attend them directly, a large number of our thoughtful, studious, and isolated people should be kept constantly informed of the current thought of these schools. Is there not some way in which these superheated bodies can send a little daily or weekly warmth to the distant regions of Michigan? Or can not the people be in closer contact with them by means of the press? Take the Surveying and Engineering Departments How...
