Attacking the Standardized Exam: The Art of Mastering Multiple Choice Standardized Tests (Hardback)

By Ronald S. Thompson

AUTHORHOUSE, United States, 2011. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I have spent the better part of the last 53 years taking well over a thousand multiple choice tests. As a teenager, I struggled through high school. Armed with an average IQ and some fairly significant learning disabilities, I barely graduating with a 1.4 grade point average. However, I was smart enough to figure out early on that much of academics, and that achieving success in academics, had far more to do with the ability to master multiple choice tests than raw intellect. From there I began a 35 year study on the art and science of passing, mastering and scoring high on multiple choice tests. Despite a very substandard high school GPA, I scored high enough on the SAT and the ACT to be accepted to the University of Michigan, one of the top academic institutions in the Country. Upon graduation from college, I accepted a commission as an officer in the United States Marine Corps. As a Marine Officer, I completed dozens of military and civilian schools, including a Masters Degree from Boston University, and a...
