Such small words - I think you should prepare yourself for the worst . When I heard them I assumed my life would end, but I will not lose Arthur so easily and the fight is worth winning, I just have to hope the cost is worth paying. Lancelot and Arthur face their final battle to bring peace to their war torn world, but their fates twist once more and Arthur lies on the edge of death. In desperation Lancelot uses his fey blood and calls for help from Albion. The Lady of the Lake answers but she strikes a bargain for the King s life. In exchange Lancelot must go into service for a year and a day. So begins his training to become the Greatest Champion of Albion. With Aedden gone, Albion must find a new king and The Lady wants the role. It will be Lancelot s task to secure it for her. When they eventually arrive in The City, Lancelot, bound by a geis of silence, once more meets Tancred and realises their love has never faded. Between them they know that they need to choose the right leader for Albion to protect Camelot. But there is just one way to seal the deal. Lancelot must marry and win the hardest battle of his career. This story is a cross between an adult version of Merlin and Brokeback Mountain - WOW!
