BRAND NEW, The Righteous Mind: Why Good People are Divided by Politics and Religion, Jonathan Haidt, In "The Righteous Mind", psychologist Jonathan Haidt answers some of the most compelling questions about human relationships: Why can it sometimes feel as though half the population is living in a different moral universe? Why do ideas such as 'fairness' and 'freedom' mean such different things to different people? Why is it so hard to see things from another viewpoint? Jonathan Haidt is a social and cultural psychologist. He has been on the faculty of the University of Virginia since 1995 and is currently a visiting professor of business ethics at New York University's Stern School of Business. He is the co-editor of "Flourishing: Positive Psychology" and the "Life Well Lived", and is...
