

The Waking Engine

By David Edison

Tor Books. Paperback. Book Condition: new. BRAND NEW, The Waking Engine, David Edison, Contrary to popular wisdom, death isn't the end, nor a passage to some transcendent afterlife. Those who die merely awake as themselves on one of million worlds, where they live until they die again, and wake up somewhere new. All are born only once - but die many times - until they come to the City Unspoken, where True Death can be found. The City is home to murderous aristocrats, disguised gods and goddesses, a sadistic faerie princess, immortal prostitutes and queens, a captive angel, gangs of feral Death Boys and Charnel Girls, and one confused New Yorker. Late of Manhattan, Cooper finds himself in a City that is not what it once was. The gateway to True Death is failing, so the City is overrun by the Dying, and a spreading madness threatens to engulf the entire metaverse.

Reviews

It becomes an amazing pdf that I actually have ever go through. This is for those who statte that there had not been a worth reading through. You will like how the author create this pdf.

-- Prof. Lonie Roob

It in just one of the most popular ebook. It normally will not cost too much. I am very easily could get a pleasure of looking at a composed publication.

-- Rosetta Thompson
