Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Actor s Art: A Practical Treatise on Stage Declamation, Public Speaking, and Department, for the Use of Artists, Students, and Amateurs, Including a Sketch on the History of the Theatre, From the Greeks to the Present Time N experience of many years in teaching singing and acting, has convinced me, that the latter as well as the former art can be reduced, like grammar, to a series of rules; and in the present work will be found, brie?y, but plainly and practically recorded, the result of my experience. Every person who comes before the public, either in the capacity of a singer, an actor, a preacher, or a barrister, must study, under particularly different aspects, the management of the voice, with the rules of elocution and action. Each of these branches forms a special study. The observations here offered in the first instance to singers and actors, may also have some interest for preachers and barristers, inasmuch as they treat of the voice and elocution. It would manifestly be impossible to handle the subject exhaustively within the limits I have been obliged to prescribe to myself, in a treatise of this kind; but it has been my endeavour to give the results of my observations and experience in a plain practical manner, that will not, I trust, be without its use to the student. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
