CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 152 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Is this the book that inspired Sherlock Holmes? Appearing in 1871, sixteen years before the great British detective made his appearance, the Frenchman Maximilien Heller was a misanthropic, drug-taking private detective with an extraordinary gift for observation and logical deduction, and fully conversant with the chemical science and forensic practices of the day. He was a master of disguise and his audacious exploits were chronicled by his friend and confidant, a doctor. Sound familiar? Be that as it may, *The Killing Needle* is a seminal work by any standards: fast-moving, well-plotted and well-written, it chronicles the adventures of a talented young detective determined to risk all to save an innocent man and bring a master criminal to justice. Published before *The Big Bow Mystery* and before *The Mystery of the Yellow Room*, it is also a locked-room milestone, the first to use a technique cited in the Clayton Rawson/John Dickson Carr locked-room lectures. For information about other locked-room/impossible crime novels, including the works of Paul Halter, one of the contemporary masters of the genre, please visit: www.lockedroominternational.com This item ships from La Vergne, TN.
