

Understanding Organizations (Hardback)

Filesize: 7.8 MB

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Everett Stanton)

UNDERSTANDING ORGANIZATIONS (HARDBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 1993. Hardback. Condition: New. 4th edition. Language: English . Brand New Book ***** Print on Demand *****.Charles Handy's revolutionary 1989 bestseller *The Age of Unreason* catapulted him into the ranks of the top management consultants. Now, in this new edition of his acclaimed study *Understanding Organizations*, he solidifies his reputation as a seminal business thinker, offering a brilliantly insightful, wide-ranging look at business organizations. Long a bestseller in the United Kingdom, this classic text offers an illuminating discussion of key concepts of concern to all managers: culture, motivation, leadership, power, role-playing and working in groups. Ever mindful of actual business practice, Handy directly addresses how managers can translate the six main concepts into invaluable tools for effective management. He discusses how all organizations need to select, develop and reward their people; to structure and design their work; to resolve political conflicts; to lay down guidelines for their managers; and to plan for the future. In each case, the approaches and techniques described here are invaluable. Equally important, Handy excels at presenting his ideas in colorful, immediately accessible ways, filling the book with illuminating examples and inventive metaphors that range from Tolstoy's ideas on the concept of self, to the many meanings of good morning, to the conversations that occur in a stopped elevator, to the proper size for a vineyard or an elephant. He shows, for instance, how an optical illusion experiment sheds light on interdepartmental relations, and how the way schoolchildren are typecast by their peers helps explain corporate hierarchies. And along with case studies, graphs, charts, and questionnaires, *Understanding Organizations* is peppered with boxed sections that offer advice and stimulate thought, brimming with provocative quotations from business wizards such as Peter Drucker, Tom Peters, Warren Bennis, Alvin Toffler, and Rosabeth Moss...
