He can t understand why this delicate, educated woman works as a maid. Or how she is reigniting his long-buried desire to be an artist. They are apart in so many ways-especially in the things Mary won t tell him. But more and more, Liam can t imagine his life without her. Mary knows this unexpected desire for Liam must end. It s true that his gentleness and sense of fun inspires her and makes her hopeful for the first time in her life. But she has a grim promise she feels compelled to keep-and painful experiences she fears he could never understand. And with secrets soon reaching out to separate them for good, can they dare risk a future together if it means confronting the scars of the past?.
