Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. During much of my single life I have come to understand my own true desires and remembering sex is indeed a God given gift! I have chosen to use intensely graphic wording in describing the heavier areas of this passion filled poem book because I believe sex can be very wild and captivating depending on the couple and their own desired pleasures. My desire in writing *Blinded by Love* was to write with intense passion while being respectful, yet not slutty, keeping the fire in my writing! Some of these poems were inspired by the bible, experiences, desired experiences, and fantasy in general for that special someone. While we are young oftentimes we do not take the time to understand our desires or emotions from those desires, we just merely act on them taking no thought about tomorrow. These poems are thoughts from yesterdays, today s, and tomorrows desires of many of us. We all want to be wanted, needed, desired, and loved.and within these poems come s a lot of passion! Bring Passion back into your relationship and bedroom! Read for yourselves and make sure you are with your lover because this book is bound to ignite your fire for love, passion and pleasure!!! Come into the fantasies of love, seduction, passion, erotica, and become *Blinded by Love* Passionately Yours, Shawna Mccallister.
