

## Through a Glass Darkly: American Views of the Chinese Revolution

Filesize: 9.34 MB

### ***Reviews***

*A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.*

Monthly Review Press,U.S. Paperback. Book Condition: new. BRAND NEW, Through a Glass Darkly: American Views of the Chinese Revolution, William Hinton, "Through a Glass Darkly" was William Hinton's last book. It draws on a lifetime of immersion in Chinese politics and society, beginning with the seven years he spent in China, working mainly in agriculture and land reform, until 1953. On his return to the United States in that year, Hinton first encountered the distortions and misrepresentations of the Chinese Revolution that he examines in this book. Hinton defends the achievements of the Chinese Revolution during the three decades from 1948 to 1979 from its detractors both in the United States and, since 1979, in China itself. His starting point is the work of John K. Fairbank, for many years a professor at Harvard and the "dean of China Studies" in the United States. But it is not limited to critique. Instead, Hinton's critique of Fairbank leads into a wide-ranging examination of the nature of the transformation attempted in China, its social and political bases, and the causes and consequences of its policies in land reform, agriculture, combating famine, popular culture, industrialization, morality, and much else besides. Moving from large questions to concrete details, often drawn from his own experiences, Hinton brings everyday life in revolutionary China graphically to life. In a time when the distorted views first developed by U.S. critics of the Chinese Revolution are often propagated by the new Chinese elite themselves, "Through a Glass Darkly" has more than just historical relevance. For anyone wishing to understand present-day rivalries between the United States and China, Hinton shows how these began. This is a fitting completion of the work of a great scholar and revolutionary.
