Tate Publishing Enterprises, United States, 2009. Paperback. Book Condition: New. 203 x 132 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Worship services in Christian houses today are centered on their beliefs concerning the timing of Christ's crucifixion and resurrection. Are these church calendars mathematically sound? Join new author Carol Marie as she conducts a mathematical analysis of the New Testament writings to determine when and how Christ fulfilled the scriptures, an understanding of which can only be attained by solving the mathematical word problems recorded in the Bible. The Law Fulfilled develops the Hebrew calendar for the year in which Christ died and was raised from the dead and highlights the significance of celebrating God's appointed feasts in the New Testament church. Others have published work pertaining to the dates of the crucifixion and resurrection of Jesus Christ but their math contradicts the scripture leaving several verses unexplained e.g. Matt. 12:40; Mark 15:1; Luke 22:7a-8, 13a-14; and John 18:28. The analysis executed in The Law Fulfilled is not only thorough in defining and computing the mathematical word problems that identify these important dates in the life of Christ, but unlike other works, its accuracy is validated by the prophetic calendar itself which is expounded in the Holy Bible.
