

Weighty Issues: Getting the Skinny on Weight Loss Surgery (Paperback)

By MD Scott a Cunneen, Nancy Sayles Kaneshiro, Scott A Cunneen

Smiling Irish Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Conversations with a caring and insightful weight loss surgeon. In Weighty Issues: Getting the Skinny on Weight Loss Surgery, noted surgeon Dr. Scott Cunneen gives you his undivided attention, taking the time to answer all your questions about a decision that can forever change your life! The tone is informal and engaging. The information comes from a doctor who has performed thousands of weight loss operations at a world-renowned medical center. You are sitting across the desk from him in his office. You re the only one in the room. Go ahead, ask him anything! He ll talk to you about gastric bypass vs. lap band vs. the sleeve. What you can expect with each surgery and what kind of commitment and lifestyle changes are expected of you. Improvement or even resolution of diabetes, hypertension, heart disease. Reclaiming your health. Your energy. Your mobility. Actually increasing your life expectancy. Good thing he likes to talk. And listen.

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
