Resource Publications (CA), 2017. Paperback. Condition: New. Language: English . Brand New Book. Anthony Acampora knows firsthand the incredible impact that the word of God can have on a broken life. Through Christ he has overcome tremendous suffering and loss. In this book he shares his years of experience applying biblical principles to overcome seemingly insurmountable adversity through faith. This series of true personal stories provides real-life examples of how to apply God s word to radically transform your life. All too often, the meaning of helping someone struggling with life s severe challenges becomes distorted, or convoluted with a true meaning of help . . . Anthony s most recent work addresses this gap effectively--leaving no doubt to the reader that an elective power, a resource that will never leave one--exists for all of us choosing such relief, and that placing our individual resolve in Him can serve us long after the need for immediate address. Thank you for the inspiration(s), and reminding me that we are never alone! --Stephen Heelan, Redbrick Counseling Anthony has been given Holy Spirit insight and revelation from the word of God to free people from yokes and bondage. He has an insight borne not only from the knowledge and spirit of God s word, but he himself has experienced these very truths and power demonstrated in his own life. This has given him freedom and allowed him to help others be free, through his knowledge and life example. I highly recommend this book for the victories in Christ that it will bring to others. --Al Scavone, Senior Associate Pastor, Abundant Life Church Anthony P. Acampora is Christian Program Director and Chaplain at Banyan Treatment Center in Pompano Beach, Florida. He has previously held positions as Director of Ministries and Chaplain Community Liaison.
