THE GAUNTLET (PAPERBACK)

Amazon Encore, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. THE REAL WEST! Max Brand s novels and stories-- certainly among the greatest in Western fiction--are always peopled with true, realistic characters and marked by a sense of authenticity few other authors could match. Three of the best examples of this are the short novels found in this collection, each painstakingly restored to Brand s original version. The opening novel tells the tale of a legendary friendship between two men who could take on a whole saloon of tough frontiersmen, but who run into trouble with beautiful Kate Malone. The King of Rats features the man known as Reata, a master of the rawhide rope, a man caught between his sense of duty and his love for a gypsy girl. And in the title novel, Joseph Larrimee finally makes a gold strike that would prove his worth to his family.but he s willing to give it all up to rescue a mysterious woman from a gang of hardcases.
