Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Welsh Nationalism and Henry Tudor Because Henry Tudor was a Welshman, relying on Welsh support, and because his cause in Wales elevated the struggle to a national issue, the main interest of the Wars of the Roses, it seems to me, must be sought in Wales. I propose, in this sketch, merely to indicate some of the forces that welded tribal Wales into a nation, and that created so passionate a devotion to the Tudor throne. But a preliminary enquiry, though it must be summary, is relevant and essential. A careful and competent English historian of the House of Lancaster has drawn a lurid picture of Wales in the fifteenth century; a poor and barbarous land with a ragged and half-naked peasantry living in squalor on the outskirts of the English walled towns, disarmed and cowed under the shadow of the mighty castles of their conquerors. If such was the condition of the Welsh people, the part they played in the Wars of the Roses is, indeed, inexplicable. But the unanimous voice of contemporary literature tells another story. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
