Jane Anderson P/L, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Selling Yourself Matters Congratulations! You have persevered through nearly a decade of intense study and rigorous training to become a qualified doctor. It takes an incredibly strong intellect and the utmost dedication to get to this point. You know what specialty training program you want to get into and now it's time to nail the final interview - and this book can show you how. Panels of Experts are Daunting Panel interviews can be scary if you're not prepared. What amount is just right? You don't want to appear boastful or brash, but you also don't want to miss out on your training program. This is your chance to achieve a training program in your desired specialty. You don't want to miss out! We all hate selling ourselves, but an interview is one of those times when you can't be shy. From this book you will learn:...
