CASCADE BOOKS, 2003. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This work focuses on a reality central to each human life and basic to every branch of theology; namely, the immanent transcendence of God. This study begins by exploring that theme of mystery hidden yet revealed from the perspective of the interrelationship of transcendence, self-actualization and creative expression. Through presenting Merton and O Keeffe as icons, Coombs helps us experience Mystery unfolding and finding expression throughout their lives and their particular works. This book is a mystical vision of the interrelatedness within all of life. Readers...
