Excerpt from A Memorial of the Polish-American Organizations of the United States, in Reference to the Proposed Lodge Immigration Bill, Now Pending in the American House of Representatives Senat recommending the passage of Senate Bill No.112, commonly known as the Lodge Immigration Bill. The damage done to the reputation of Polish American citizens by this report is incalculable. Were the statements therein contained allowed to pass unchallenged. Some future historian in his re searches might discover this remarkable document, and accepting the figures and pretended facts therein cited as true use it as a basis of his views on the effects of immlgration in the United States. We exceedingly regret that the time at the dis posal of this committee was too limited to collate all the necessary data to refute the allegatnons of the report so far as they relate to the Polish people. We how ever respectfully invite the attention of the American public to a few facts hurriedly sketched in this memorial.
