Natural Birdhouses: 25 Projects Using Found Wood to Attract Birds, Bats and Bugs into Your Garden (Paperback)

By Maria Fisher, Amen Fisher

Apple Press, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Create unique, handcrafted homes that a bird (or bat or garden insect) would really want to live in. Find out how to make bird houses out of found materials, where to position them for different species, and how to provide food, nesting materials, and shelter for your wild neighbours. This charming book contains 25 simple projects for making bird houses, feeders, bat houses, and pollinator houses using materials that you can find in your local area. Clear instructions help you to master the techniques you will need for building your own projects, including finding the right wood, hollowing out the logs, making fixings, decorating them, and more. Using nesting materials such as mosses in the construction of your bird, bat, and bug houses, you can create beautiful, natural works of art that also provide your residents with all they will need.
