National Science Teachers Association, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Most science teachers and supervisors have anaemic pre-service preparation on securing and maintaining safer work environments in academic laboratories. The purpose of this volume is to raise awareness of safety issues and of how to develop a safer learning and working environment in middle schools. In addition to protecting students, the guides address legal standards and professional best practices to help teachers stay out of harm s legal way. - Author Ken Roy on The NSTA Ready-Reference Guides to Safer Science Safer science is a daily requirement for every teacher in every science classroom and laboratory. Get up-to-date information from The NSTA Ready-Reference Guide to Safer Science, Volume 2. This second volume is a collection of more than 40 of the latest quick-read Scope on Safety columns from Science Scope, NSTA s middle school journal (plus some adaptable Safer Science columns from The Science Teacher, NSTA s high school journal). As easy to read as it is practical, the book is chock-full of safety information, anecdotes, and advisories you can use every day. The book s rich array of offerings includes topics such as general safety practices; legal issues, including negligence and liability; safety concerns in specific disciplines, including chemistry, Earth and space science, biology, and physical science; more than 40 teacher questions on everything from acrylic nails to latex goggles to ventilation; and helpful safety-related NSTA position papers and internet resources.
