Reviews

Very useful to any or all group of folks. It really is rally interesting throgh reading through period of time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Mrs. Dorris Wintheiser)

ANANSI BOYS

Harper Collins Publ. USA Okt 2006, 2006. Taschenbuch. Book Condition: Neu. 173x106x35 mm. Neuware - God is dead. Meet the kids. When Fat Charlie's dad named something, it stuck. Like calling Fat Charlie 'Fat Charlie.' Even now, twenty years later, Charlie Nancy can't shake that name, one of the many embarrassing 'gifts' his father bestowed -- before he dropped dead on a karaoke stage and ruined Fat Charlie's life. Mr. Nancy left Fat Charlie things. Things like the tall good-looking stranger who shows up on Charlie's doorstep, who appears to be the brother he never knew. A brother as different from Charlie as night is to day, a brother who's going to show Charlie how to lighten up and have a little fun . just like Dear Old Dad. And all of a sudden, life starts getting very interesting for Fat Charlie. Because, you see, Charlie's dad wasn't just any dad. He was Anansi, a trickster god, the spider-god. Anansi is the spirit of rebellion; he is able to overturn the social order, create wealth out of thin air, and baffle the devil. Some even say he can cheat Death himself. Exciting, scary, and deeply funny, ANANSI BOYS is a kaleidoscopic journey deep into myth, a wild adventure, and a fierce and unstoppable farce, as Neil Gaiman shows us where gods come from, and how to survive your family. 400 pp. Englisch.
