A FAMILY'S FIRST GUIDE: BIPOLAR DISORDER (PAPERBACK)

Livewell Institute, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When a loved one is diagnosed with bipolar disorder, the entire family feels the impact. From denial and misinformation - to anxiety about everything from the cost of treatment to the safety and harmony of life at home - it's hard to know where to start. Now A Family's First Guide: Bipolar Disorder uses a workbook format to empower you to support your loved one - and everyone in your family. Ready-to-use tools and positive coping strategies for topics that include: * Different types of bipolar disorder, including dual diagnosis * How to help therapists help your loved one * What to do when your loved one (or family members) are in denial * Who belongs on the support teams you create for your loved one and for yourself * Ways to address reckless, impulsive behavior * Early warning signs of mania and depression * What to do in a crisis * From emergency to stability - understanding the treatment plan * Common bipolar medications: costs, effects, side effects * What insurance will and will not cover (and how to reduce medication costs) * Ways to reduce your loved one's risk of suicide * How to ease bipolar's impact on family finances * Ways to help your loved one self-monitor * How to keep family members roles and responsibilities in healthy balance Practical, real-world guidance from counselors with decades of experience helping bipolar patients and their families. Rhonda Bolton is a Licensed Professional Counselor with 30 years of experience as a Registered Nurse with certification in psychiatric mental health nursing. Stan Bolton is a Licensed Professional Counselor with 40 years of clinical experience, including over 30 years in Community...
