Annual Report, 1984: Traffic Engineering Branch (Classic Reprint) (Paperback)

By North Carolina Dept of Transportation

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Annual Report, 1984: Traffic Engineering Branch Records Section; the Highway Patrol Division; and the unc Highway Safety Research Center. The Traffic Engineering Branch s accomplishments for 1984 emphasize the diversity of work required in meeting responsibilities to the Division of Highways and to all who use State road facilities. Work performed by the Branch in 1984 is presented according to the several units, with professional activities listed alone. Activities of the Division Traffic Services Units, whose work is closely tied with the Traffic Engineering Branch, are reported under a separate heading. Activities for the year are enumerated wherever practical. Such figures, however, often represent only the results of extensive preparation and ground work, factors not easily stated in terms of quantity. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
