Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everyone wants to be happy, feel good and be in a positive place. Have you ever heard the sayings, rejoice and be glad, or happiness will never come to those who fail to appreciate what they already have ? There is alot of truth in joy being found in blessings. We are all blessed and in my book I share with you the countless blessings I have been a part of and how being grateful, for even the smallest things in life, really gives you a new way to look at your life. I have found, without a doubt, that gratitude equals a positive attitude. I ask God s blessings for you as you enjoy my book, because as you are blessed, I am blessed. PTL.
