She arrives on the island of Some-God-Forsaken-Rock to claim her inheritance, and discovers her grandfather is a golem, her brother probably murdered him, a zombie and pirates are running through her new house, and waltzing hurricanes are about to descend. Lieutenant Eade Behrman isn't having obstacles at all. A woman is alone on an island in a haunted house during a hurricane, and she's shot a pirate. Eade is bound by honor and duty to respond to her plea for help. For a weather man gifted by God, this does not pose a problem. He doesn't understand why the mainland police are so reluctant to let him go. They are both so very wrong. Thrown together on a treasure quest to save the world, Eade and Blood Moon battle all the storms that rage against them. Eade is beginning to wonder if honor and duty are worth the sacrifices he makes, and Blood Moon begins to realize her name is the portent of change. It's time to get the obstacles out of the way and depend on the Master of Storms.
