

Grinding and Lapping Tools (Classic Reprint)

By Joseph Vincent Woodworth

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Grinding and Lapping Tools In the pages following are shown engravings and half-tones of tools, machines, grinding fixtures, laps and lapping devices and arrangements, and combination fixtures for presenting duplicate work to grinding operations from the simplest to the most intricate in modern use; and we have endeavored to not only describe how to use them, but to describe and illustrate how to design and construct them as well, in a clear practical manner, so that all grades of metal-working mechanics may be able to understand thoroughly how to design, construct and use them for the economic production of the marvelous variety of machine parts and tools required to-day to perform the stupendous labor of our wonderful civilization. Many of the tools and devices described and illustrated in this volume we designed and used ourselves; others were designed under our personal supervision; while others have been selected from published articles written for the technical press under our own name and various pen names. For many other descriptions and illustrations we are indebted to the kind...
