TREE OF LIFE (PAPERBACK)

Paul Dry Books, Inc, United States, 2000. Paperback. Condition: New. Paul Dry Books. Language: English . Brand New Book. Finalist for the National Book Award and the PEN/Faulkner Award This small novel works like a laser beam, penetrating the American experience with searing and concentrated intensity. --Los Angeles Times The Tree of Life is one of the most powerful, original, and disturbing books that I have read in a long time. The juxtaposition of horror and information perfectly captures the genius of this imagined diary.Scarcely a word is wasted. Hardly an aspect of the struggle to found a new civilization remains untouched. The Tree of Life dramatizes, sometimes with almost unbearable intensity, the American dream and its attendant nightmare. --Time Magazine [The Tree of Life] confronts us...
