In *Cambodian Grrrl: Self-Publishing in Phnom Penh*, writer and independent publisher Anne Elizabeth Moore brings her experience in the American cultural underground to Cambodia, a country known mostly for the savage extermination of around 2 million of its own under the four-year reign of the Khmer Rouge. Following the publication of her critically acclaimed book *Unmarketable* and the demise of the magazine she co-published, *Punk Planet*, and armed with the knowledge that the second generation of genocide survivors in Cambodia had little knowledge of their country's brutal history, Moore disembarked to Southeast Asia hoping to teach young women how to make zines. What she learned instead were brutal truths about women's rights, the politics of corruption, the failures of democracy, the mechanism of globalization, and a profound emotional connection that can only be called love. Moore's fascinating story from the cusp of the global economic meltdown is a look at her time with the first all-women's dormitory in the history of the country, just kilometers away from the notorious Killing Fields. Her tale is a noble one, as heartbreaking as it is hilarious; staunchly ethical yet conflicted and human.
