Walker Books Ltd, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. It was the 13th of September, 13 days after my 13th birthday, when I first learned how to be invisible. Strato Nyman couldn't be more of an odd-one-out. He's the only black kid in Hedgecombe-upon-Dray, he knows more about particle physics than his teacher, and he's constantly picked on by school bully Lloyd Archibald Turnbull. It's only at home that he blends in to the background - his parents are too busy arguing to notice he exists. But one day, Strato picks up a dusty old book in a mysterious bookshop and learns how to become invisible. He soon discovers that people aren't always what they seem . and realizes standing out isn't so bad after all.
