

Logical Lyrics: From Philosophy to Poetics

Filesize: 9.56 MB

Reviews

*Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at at any moment of the time (that's what catalogs are for relating to in the event you request me).

Kings College Publications, United Kingdom, 2005. Paperback. Book Condition: New. 212 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Every day logic surrounds us. Used and abused at cocktail parties and dinner functions, in friendly conversations and verbal feuds, in science, in thinking and reflecting, logic is s a tool of mind. It is the language of thought. Logic is very human and concerns us all, even if it is not always used by man. Logical Lyrics: from Philosophy to Poetics is a collection of citations and aphorisms from all sorts of people - from Napoleon bonarparte to Human League - expressing their embracing, critical and humorous views on logic and logical matters. I found this collection utterly absorbing from beginning to end. It combines some very sagacious ideas with some choice bits that are delightfully funny. Raymond M. Smullyan, New York If I were you, I would buy this book. What does that mean? It means, buy this book. Why does it mean that? Perhaps this book will help you understand. Or perhaps not, but it will certainly be entertaining reading in the meantime. Melvin C. Fitting, CUNY, New York Logical Lyrics is an independent follow-up to Feisty Fragments: For Philosophy.
