RETHINKING LIBRARY LINKING: BREATHING NEW LIFE INTO OPEN URL

American Library Association Paperback Condition: New. 36 pages. OpenURL was devised to solve the appropriate copy problem. As online content proliferated, it became possible for libraries to obtain the same content from multiple locales: directly from publishers and subscription agents; indirectly through licensing citation databases that contain full text; and, increasingly, from free online sources. Before the advent of OpenURL, the only way to know whether a journal was held by the library was to search multiple resources. An OpenURL...
