Brand New Book ***** Print on Demand *****.Excerpt from The Days That Pass The voice of June The voice of June breathed soft within my ear: Come forth, sad Heart, the charmed night is ours, Through faint green haze there shines a silver moon; A carpeting of dreams, the grass is spread All velvet soft and colourless and wan, The fire-flies glitter low upon the ground, Or tangled, star-like, in the sombre trees: Beneath the moon s cold rays the yellow rose Has paled, the peony is colourless, The poppy seems a dim and faded ghost. Now magic reigns, the hours are drenched with dew And warm with summer and alight with stars. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
