Pajamazon Wordworks, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was bad enough that gods gambled with human souls, but Catherine Sharp s soul just had to be won by the Greek goddess of Discord, Eris. As if working a dead-end tech support job didn t suck the life out of her as it was. Now, Cat finds herself performing random tasks for the goddess in her free time. But when Coyote, the Native American trickster himself, claims to have won her own soul in Mayhem s weekly poker game, Cat wants in on the action. With five sneaky gods upping the ante, Cat needs to find a way to collect the winning chips that could save her soul. Marius, snarky satyr with his own debt to Eris, might finally come in handy for something. If they play their cards right and work together, Cat and Marius may just get their freedom back. If they don t kill each other first.
