## Clinical Psychology: Assessment, Treatment, and Research (Hardback)

By -

Elsevier Science Publishing Co Inc, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. Clinical Psychology is a graduate-level introduction to the field of clinical psychology. While most textbooks focus on either assessment, treatment, or research, this textbook covers all three together specifically for the introductory level graduate course. Chapter coverage is diverse and contributors come from both PhD and PsyD programs and a variety of theoretical orientations. Chapter topics cover the major activities of the contemporary clinical psychologist with an introduction focusing on training models. The book has a mentoring style designed to highlight the relevance of the topics discussed to clinicians in training. Assessment and treatment chapters focus on evidence-based practice, comparing and contrasting different options, the basis for clinical choice between them, and efficacy of same. It will also introduce the business and ethical aspects of the clinical career that current introductory books do not include, such as ethics in assessment, treatment, and research; third party payers; technological developments; dissemination of research findings; cross-cultural issues; and the future of the profession. The text is designed for students in their first year of clinical psychology graduate training.

### Reviews

*This is the finest publication we have read through right up until now. Better than never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

-- **Dr. Gabriella Hayes**

*Comprehensive information for book lovers. This is for all who stante that there had not been a worth studying. Its been printed in an remarkably simple way which is simply following i finished reading through this pdf where actually modified me, change the way i think.*

-- **Rebekah Smith**
