FINIS.

Angelique Jamail, Author. Paperback. Condition: New. Lauren Taylor (illustrator). 80 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Elsa's family grows more unkind by the week. Her boss, a seven-foot-tall rage demon, has control of everything but his anger. And her cat wants to eat her. Things could be better. In a world where one's Animal Affinity is a sign of maturity and worth, Elsa's inability to demonstrate hers is becoming more than a disappointing nuisance; it's becoming a danger. She has no confidence she'll ever conquer her Plainness by blossoming. She also fears both the wolf packs that prowl her neighborhood and being stuck in a life plummeting rapidly from lackluster to perilous. Fortunately, she has a cousin and a co-worker who know her better than she knows herself and can see through to what society wants. FINIS. is the magic realism of our time, a story of finding one's way to the end of things, of persevering through the drags of life to discover something more. PLEASE NOTE: Only the paperback edition of this book is illustrated. The ebook edition contains no illustrations. ADVANCE PRAISE FOR FINIS. : It's not often I get that viscerally emotional on behalf of a fictional character. It is a witty tale of conformity, prejudice, and transformation, in a world that is disturbing as much for its familiarity as for its strangeness. In a place where everyone is different, Elsa is the wrong kind of different, and that means facing pity, discrimination, danger, and sharp teeth. Dive into...
